

Welcome...

Welcome to Mondo, the only restaurant on campus with a first-class table service...

Mondo is unique on campus because everything you eat is freshly made, from the tomato sauce on your pizza to the ragu in your Bolognese. As a Students' Union venue, Mondo is proud to be staffed almost entirely by students and all profits from the restaurant go straight back into improving facilities for students.

This year is quite an exciting year for Mondo as it sees the launch of a new section to the menu, 'Mondo Med', bringing you signature dishes from around the Mediterranean, including moussaka, lamb kofta kebabs and peri-peri chicken skewers.

Mondo also welcomes back its famous buffet every Wednesday afternoon. There are also many other special events in Mondo this year, such as the return of Jazz night, (do book early for this one) and much, much more!

At Mondo we are always looking for valuable feedback to make your experience as fantastic as possible. If you have any suggestions please do let us know.

Buon Appetito!

Starters
