

# Sean Cottrell - VP Development

"The **ALL STAR** team is convinced that we can do better and deliver more to our student community.

For the development of the students and the Students Union we need to plan ahead, be realistic with our aims and try to enhance the reputation of the university.

I will work hard to improve our image and building networks with the local communities to make sure our students have the best opportunity to succeed both at university and after graduation.

**"Let's push things forward!"**

## MEDIA

- Develop all media and provide professional training for media guild.
- Increase popularity of UTV and RED FM by having RED FM and UTV in our venues and a weekly night.
- Promote student lead projects, core activities of SU and the accomplishments of the University via all forms of media.
- Keep the articles in the RABBIT relevant to our students and give the paper a more structured feel.
- Aim to make the website resource for every aspect of university life, with blogs for each student, and Pod casts and live broadcasts available online.

## VOLUNTEERING

- Give leadership and support to all volunteers and have a clear accreditation scheme.
- Increase links for with personal/career development and employability.
- Make volunteering a departmental issue and encourage lecturers to be involved.

## EMPLOYABILITY

- Increase the number of extra-academic activities and opportunities
- Provide a standardised framework to value volunteering and extra-academic activities. Make employability a part of the freshers' pack intro.
- Use alumni to increase opportunities and contacts for out students.
- Introduce a mentoring scheme for alumni to support new graduates.

## RAG – fundraising

- Raise the profile of RAG by organising a RAG week that has been well planned & thought out.
- Have an efficient framework a Charity of the Month, set tangible & encourage a RAG Culture.
