

# Asian Students Network Officer Report (December 2020)

## Introduction

In December, the Asian Officer attended parliament meeting, SCO team meeting and had a discussion with other SCOs regarding Zero Tolerance Policy.

## Goals

- To improve the quality of Asian students' community
- To raise issues faced by Asian students in Student Parliament and make sure that their voices are heard
- To make new events and competitions that students have never experienced before
- To raise cultural awareness with the help of Asian students' community
- To work together with Black Officer to combat racism in the university
- To get in touch with other SCOs and assist them if needed

- To combat Islamophobia in university
- To support Asian Students during their studies at university

### **What have we done this month?**
