

Asian Students Network Officer Report (January 2021)

Introduction

In January, the Asian Officer attended Lunar New Year discussion with VP international, ISA, CSSA and Malaysia society. The Asian Officer also attended parliament catch-up and parliament meeting.

Goals

- To improve the quality of Asian students' community
- To raise issues faced by Asian students in Student Parliament and make sure that their voices are heard
- To make new events and competitions that students have never experienced before
- To raise cultural awareness with the help of Asian students' community
- To work together with Black Officer to combat racism in the university

- To get in touch with other SCOs and assist them if needed
- To combat Islamophobia in university

What have we done this month?

- Attended Lunar New Year discussion with VP international, ISA, CSSA and Malaysia society
- Attended parliament catch-up and parliament meeting
- Received feedbacks from Asian students about their the choices of food on campus and how we can improve it

What can be expected in the next month?

- The Asian Students Network will be helping ISA and cultural societies to organise Lunar New Year activities
- The Asian Students Network will be making posters for Lunar New Year celebration
- The Asian Students Network will be attending SCO team meeting to discuss about current issues happening on campus
