

Asian Students Network Officer Report (November 2020)

Introduction

In November, the Asian Officer organised Asian and Mature Students Mixer Quiz with Mature Officer, attended the first parliament meeting and had a meeting with Pro-Vice-Chancellor Education, Madeline.

Goals

- To improve the quality of Asian students' community
- To raise issues faced by Asian students in Student Parliament and make sure that their voices are heard
- To make new events and competitions that students have never experienced before
- To raise cultural awareness with the help of Asian students' community
- To work together with Black Officer to combat racism in the university

- To get in touch with other SCOs and assist them if needed
- To combat Islamophobia in university
