

Asian Students Network Officer Report (October 2020)

Introduction

In October, the Asian Officer organised Asian Network Online Mixers and talked to VP Community and Engagement about issues regarding students on campus.

Goals

- To improve the quality of Asian students' community
- To raise issues faced by Asian students in Student Parliament and make sure that their voices are heard
- To make new events and competitions that students have never experienced before
- To raise cultural awareness with the help of Asian students' community
- To work together with Black Officer to combat racism in the university

- To get in touch with other SCOs and assist them if needed
- To combat Islamophobia in university
- To support Asian Students during their studies at university

What have we done this month?

- Organised Asian Network Online Mixers
- Had meetings with VP Community & Engagement regarding Prayer Room and Wudu
- Talked to Mature Students Officer about events that we're going to hold
- Had a discussion with VP International and cultural societies regarding Diwali festival.
- Talked to Student Engagement Coordinator, Emma about the ideas of events that we're going to do
- Received feedbacks from Asian students about their learning experiences

What can be expected in the next month?

- The Asian Students Network will be hosting online quiz night in collaboration with Mature Students Network
- The Asian Students Network will be discussing about how we can organise Diwali festival

- The Asian Students Network will be posting Did You Know? posts on social media
- The Asian Students Network will be hosting online social events in collaboration with other officers
