

## **Asian Students Network Officer Report (September 2020)**

### **Introduction**

In September, the Asian Officer has selected suitable person for Asian Network Social Media Officer. The Asian Officer also has meetings with Natalie and Jennifer to talk about Fresher's Fair.

### **Goals**

- To improve the quality of Asian students' community
- To raise issues faced by Asian students in Student Parliament and make sure that their voices are heard
- To make new events and competitions that students have never experienced before
- To raise cultural awareness with the help of Asian students' community
- To work together with Black Officer to combat racism in the university

- To get in touch with other SCOs and assist them if needed
- To combat Islamophobia in university
- To support Asian Students during their studies at university

### **What have we done this month?**

- Attended weekly online training with the SU and other newly elected SCOs
- Selected Neesha as Asian Network Social Media Officer
- Wrote several articles for the community hub
- Introduce Asian Network team members on social media and Asian Students Network's officer report (September 2020)
- Attended trainings with the SU and Asian Network committees
- Giving ideas to Natalie about the designs of Asian Network poster for Fresher's Fair stall
- Attended meetings with VP Community and Engagement
- Talked to Student Engagement Coordinator, Emma about how the Asian Network plan to do the online mixers
- Prepared PowerPoint slides for online mixers

### **What can be expected in the next month?**

- The Asian Students Network will be hosting online mixers on the 7th October and 14th October at 2pm (UK time)
- The Asian Students Network plans to discuss and collaborate with other societies about the events we're going to do
- The Asian Students Network will be posting Did You Know? posts on social media
- The Asian Students Network will be posting about support available for Asian Students on social media
- The Asian Officer will have a meeting with VP Community and Engagement
