

Officer Report

Introduction

In March, 2022, Postgraduate Research Officer Adetunji, organized few meet ups, as he continues to prioritize his focus on meeting PGR students face-to-face which has proven effective in order to understand their needs and how the PRO office can help. In addition, I attended few PGR centered events such as birthdays, house parties, coffee meet-ups, lunch, dinner etc.,

The feedbacks from PGR community.

Virtual Coffee Meet up: A virtual coffee meet up was organized for the PGR community, which resulted in receiving some feedbacks, this was also an avenue to catch-up and network.

Communication: Regarding communication gaps from the income section, I can confirm that there is a progress and some PGR students told me they are able to receive feedbacks regarding their inquiries.

Teaching Assistants – The PGR community has received an impressive number of teaching assistants role and the feedback received regarding this is a positive. The PGR students confirmed to me that they have been receiving several emails advertising placements and teaching roles positions. This is commendable.

Goals Achieved For This Term

- Created more study groups for the PGR community.
- Escalated the complaints of the PGR students to the relevant authorities.
- Received feedbacks from the community.
- Organized few study session.

Goals For The New Term

- We are planning more study groups and sessions for the students as deadlines and examinations approach.
- More support groups to support students towards choosing their dissertation topics and sharing ideas.
- To create more memorable events for members of the community.
