

Hey everyone!

Hope everyone is doing well in the course and the university experience has been fulfilling for you so far

It's exam and dissertation preparation time, a stressful and lonely time. In May we had a Mocktails Masterclass in collaboration with mature students, to learn making two very common mocktails including my favorite: Cuddles by the beach. It was nice of the family to get together. I also attended the last parliamentary meeting, where we talked about the cost of living, hot food and meals on campus; and the teaching quality experienced by the students. Another addition of the idea to hear what the students want was discussed.

The summer has a lot to offer, so keep yourself free around 2-4 P.M. on the 8th of June (Thursday) for a Drinks Break (just like coffee break but with cold drinks to enjoy the summer instead of hot drinks). It's the last term and I'd love to meet you all and hear your experiences. Please share your suggestions for future events (karaoke night, dance night, games night, mixer, dj, music, or anything else) on our Instagram page or my ID. I am hoping to have many more activities in the future so that you guys have something to look forward to while academics tries to take its toll on us.

Please feel free to share any questions regarding our community, any concerns regarding any problem that you are facing or just come for a chat, know that you have a family here. I'm usually (almost always) roaming around the campus somewhere (email – pgtofficer@essex.ac.uk or shoot me a DM on instagram @pg_uniofessex).

Lastly, I'm very excited to get to meet and know you all and for what's to come in July. I hope to hear from you, see you soon!
